

SCCS Europe

Student Conference on Conservation Science SCCS Europe in Tihany, 2018

Connecting Eastern and Western Europe in conservation biology

**Tihany (Lake Balaton), Hungary
4 - 8 September, 2018**

SCCS Europe provides a unique opportunity for students and early career researchers to present results, exchange ideas, and enjoy the company of others, including brilliant experts.

Key speakers and tutors include:

- Andrew Pullin, Centre for Evidence-Based Conservation at Bangor University
- Francisco Moreira, CIBIO-InBIO Research Network in Biodiversity and Evolutionary Biology, University of Porto
- Lynn Dicks, University of East Anglia
- Zselyke Molnos, Ecopsychology Institute, Hungary
- Barbara Mihók, University of Szeged, Hungary
- Péter Batáry, University of Göttingen

Important deadlines:

- 30th April: Registration and abstract submission opens
- 30th May: Abstract submission deadline
- 15th July: Registration deadline

SCCS Europe is coming!
