Oral presentation schedule - 15th International Colloids Conference

15th International Colloids Conference

7-10 June 2026 | Sitges, Spain

Oral presentation schedule

Dear Karolina Siskova,

Your abstract **186** titled '**Magneto-responsive SERS-active nanocomposites tailored for quick detection and efficient removal of pollutants from water**' is part of the oral programme for **15th International Colloids Conference**. The programme is now finalized, and all presentations have been allocated a new reference number, to enable a sequential system at the conference.

Your new reference number is **PS.8.03**

This number will be used on the oral programme and in all documentation at the conference.

The timings of your presentation are as follows:

Session name, Day & Room: Parallel Session 8, 9th Jun 26, 16:15 - 17:15 UTC, Tramuntana 2&3

Individual Session time: Tuesday, 9th June, 2026 16:55 to Tuesday, 9th June, 2026 17:15

Individual presentation time: 20min (including Q&A)

The conference programme is available here:
<https://virtual.oxfordabstracts.com/event/76122/program>

Please make sure that you are available in the room allocated for your session at least 20 minutes before the session begins to be introduced to the session chair and ready for your presentation. All presentations must be preloaded onto the PCs at least 20 minutes before the relevant session.

Audio visual

- **Please bring** your final presentation slides on a USB device to the conference.
- The slides should be in **16:9** ratio
- Standard equipment will be provided for each oral presentation: PC with Windows, MS PowerPoint and a USB port connected to data (LCD) projector and screen; microphones/audio system and a laser pointer.
- It is recommended that you **DO NOT** use your own laptop to present your material, unless you intend to use alternative presentation software (i.e. not PowerPoint) or you will be presenting material prepared on a Mac. **A Mac will not be provided as standard so please do bring your laptop along with all cables to connect it to the projector if you intend to use this software.**

Photography and use of social media at conferences

Please include one of the attached slides at the beginning of your presentation to indicate whether you are happy for your presentation to be photographed/tweeted.

Please do not hesitate to contact me should you have any questions.
