Be an Aurora Student Champion

AURORA

Aurora is a consortium of research-intensive European universities, committed to the social impact of our activities.

As an Aurora Student Champion, you will help the Aurora student council expand its work, working with Aurora staff to help drive forwards its collective ambitions.

What will you do?

- ▲ Collate 40 hours of evidence during the academic year, reflecting on values that are important to you and Aurora
- ▲ Engage in work stream meetings with Aurora staff
- ▲ Work with a student from another institution on an Aurora work project
- ▲ Write a reflective piece on yourself as a learner, in relation to Aurora.

What are the benefits?

- ▲ Give something back to your student community
- ▲ Help create a more sustainable future
- ▲ Demonstrate and increase a range of transferable skills
- ▲ Receive an Aurora certified reference upon completion.

We are seeking ten students from each of the eleven partners.

Could one of them be you?

Find out more and register to attend the application briefing on 6 November at:
