Overview:

Fudan University International Summer Session 2019 will provide a 4-week course study and cultural experience to students from all over the world. The session offers 27 content courses, 3 levels of Chinese language courses and 2 PE courses. In addition, we offer historical and cultural visits. The content courses will cover a range of topics in History and Culture, Society and Politics, Business and Economy, Science and Technology and Law. Each content course is designed as a 39-credit-hour course (except for the one-credit course which is 18 credit hours), each level of Chinese language as a 40-credit-hour course (2 credits), and each PE course as an 18-credit-hour course. Students can choose one to three content courses, and the Chinese language courses and PE courses are optional. After successful completion of the course study, students will be awarded a program certificate and an official transcript from Fudan University.
